

March 14, 2024

A regular meeting of the Council of the Borough of Trainer was held on the above date at the Trainer Municipal Building, 824 Main Street, Trainer, PA with President John Gaspero calling the meeting to order at 7:00 p.m. Eastern Standard Time.

PLEDGE OF ALLEGIANCE AND A MOMENT OF SILENCE

The meeting was opened with the Pledge of Allegiance to the American Flag and followed by a moment of silence.

ROLLCALL

PRESENT

Mayor Marilyn Maher, President John Gaspero, Vice President John Mathews, Councilpersons, Joe Maher (via phone), Robin Rokicka, Vickie Padgett, Michael Carter, Manager Mark Possenti, Engineer Mike Kozlowski, Solicitor Chris Boggs

ABSENT

Tracey Tucker

Mayor Maher commenced the Swearing in of part-time officers Michael Adams, Joshua Greene and Ashby Shatteen-Brown.

MINUTES

The minutes of the February Council meeting were motioned for approval by Councilperson Carter to accept and seconded by Councilperson Mathews. No opposition. Motion carried.

CORRESPONDENCE

It was motioned by Councilperson Mathews and seconded by Councilperson Carter that the correspondence for February be accepted and any necessary action taken. No opposition. Motion carried. Questions and comments from audience on correspondence: None
Any matters that need Councilmanic action: None

Rockefeller Group presented their project plan for the site at 200 Price St. and requested an extension letter from the Borough which is needed to comply with the County planning code of a 60-day timeline that cannot be met before the April Council meeting without approving the extension.

- A motion was made by Councilperson Mathews to approve the time extension and seconded by Councilperson Carter. No opposition. Motion carried.

PUBLIC GENERAL AND AGENDA QUESTIONS AND COMMENTS:

Agenda states a two-minute time limit for residents/taxpayers to speak.
None

MANAGER/FINANCE – Mark Possenti

Stated an Executive Session is needed after meeting to discuss a legal matter.

-Called for a motion to approve the Federal Surplus application. The program consists of property no longer wanted or needed by federal agencies and becomes available for donation to eligible nonprofit, tax-exempt organizations at a nominal service charge to cover the costs of administering the program

-Called for motion to approve the use of funds to send interested council, employees to this year's PSAB convention in Hershey

- Called for a motion to approve new life insurance policies for full-time employees. The current policies cannot be reduced upon retirement to comply with collective bargaining agreement as well as other issues regarding the writing language in the current policies.
- Called for a motion to approve the paid February expenses for General, Recreation and Liquid Fuels Funds in the amount of \$346,394.80 which were provided for inspection. Expenses are filed in the Secretary's office where they can be requested to view.
- Called for a motion to approve the paid Payroll for the month of February in the amount of \$111,759.62 which was provided for inspection.
- Asked Council to consider a motion to advertise for a change in the non-uniform benefits which would allow the employees to leave with a reduced life insurance policy after 20 years of employment.
- Asked for a motion to advertise a bid proposal for the HVAC maintenance contract for the Complex Bldg.
- Asked for a motion to approve an address change for 4401 Ridge Rd. they have 2 parcels. Congoleum will stay 4401 Ridge and they want to add the new site with the address of 4001 Ridge Rd.
- Asked for a motion to appoint Possenti Consulting as the representative to the DCTCC (De. Co. Tax Collectors Committee) as they already attend for other Municipalities.

COMMITTEE REPORTS

Marilyn Maher – Mayor

Stated she has 3 quotes for a fence in the rear of the building for the manager to review.

John Gaspero – President

Called for a motion to authorize the lighting for name on the building. The quote from Aerial Signs is \$2,645.00.

John Mathews – Municipal Services/ Public Safety

Stated the new street signs are being installed. Public works are opening up the park for the season and have been working on clearing the creek near Trainer rocks.

Joe Maher – Ordinance/Zoning- Environmental

Present via phone, President Gaspero read the Code office report for February.

Robin Rokicka – Buildings

No report.

Tracy Tucker – Public Outreach/Newsletters

Was absent. Left a report in regards to EAC Officers as follows: President Rafael Hernandez – Vice President Bill Draper and Secretary Jeanette Weigand.

Vickie Padgett – Recreation/Parks

Announce upcoming Rec events.

Michael Carter – Fire/Property Maintenance

Read monthly fire report for February.

MONROE ENERGY

Matt McLaughlin stated that Monroe has adopted Post Rd. from Price to Green St. in Marcus Hook. They will have the road cleaned once a year.

TAX COLLECTOR

Total tax and trash fees collected for the Month of February were \$62,491.07

- Called for a motion to approve a real estate tax deposit of \$53,239.87 into the General Fund.
- Called for a motion to approve a trash fee deposit of \$9,251.20 into the General Fund.

ENGINEER

Mike Kozlowski: Read monthly report (attached)

- Called for a motion to authorize to re-submit WRPP grant application. (see details in report)
- 200 Price Street regarding Stantec's letter of 1/24/2024 regarding comments per review of the Preliminary/Final for April 2024 meeting. The following motions were called tonight. The details for each are in the attach Engineer report.
 - Land Development submission: Motion to grant waiver of the 4% grading in one small area of the plan to Rockefeller @ 200 Price.
 - Zoning Ordinance Section 265-26(B) I-2 Industrial: **No action** is needed to grant waiver regarding building set-backs, which Stantec agrees does not apply.
 - Subdivision and Land Development Ordinance Section 817.C: Motion to grant waiver regarding planting of trees at the road front. Developer will plant more through other areas of the property.
 - Stormwater Management Ordinance Section 311: Motion to grant waiver regarding Riparian buffer width.
 - Price Street between 2nd Street and Front Street and Front Street in a **non-issue** in regards to the road, the entrance road will remain a private and maintained by the property owner.

SOLICITOR

Chris Boggs stated a motion is needed to adopt Resolution 24-1099 – Authorization of Borrowing Funds for fire truck. Marcus Hook Borough and Trainer Borough will be working together to secure a loan to fund the fire department truck(s).

ORDINANCES

- None

RESOLUTIONS

- A motion was made by Councilperson Carter to adopt Resolution 24-1099 Authorization of Borrowing Funds for fire truck not to exceed \$1,000,000.00 and seconded by Councilperson Rokicka. Councilperson Maher opposed, wanting to have a new agreement in place before securing a loan. Motion carried.

OTHER ACTION ITEMS

- Motion made by Councilperson Mathews to approve the paid February expenses for General, Recreation and Liquid Fuels Funds in the amount of \$346,394.80 and seconded by Councilperson Carter. No opposition. Motion carried.
- Motion made by Councilperson Carter to approve the paid Payroll for the month of February in the amount of \$111,759.62 and seconded by Councilperson Rokicka. No opposition. Motion carried.
- Motion made by Councilperson Mathews to approve the Federal Surplus application and seconded by Councilperson Carter. No opposition. Motion carried.

- Motion made by Councilperson Carter to approve the use of funds to send interested council, employees to this year's PSAB convention in Hershey and seconded by Councilperson Rokicka. No opposition. Motion carried.
- Motion made by Councilperson Carter to approve new life insurance policies for full-time employees and seconded by Councilperson Mathews. No opposition. Motion carried.
- Motion was made by Councilperson Carter to approve a real estate tax deposit of \$53,239.87 into the General Fund and seconded by Councilperson Mathews. No opposition. Motion carried.
- Motion was made by Councilperson Mathews to approve a trash fee deposit of \$9,251.20 into the General Fund and seconded by Councilperson Carter. No opposition. Motion carried.
- Motion was made by Councilperson Mathews to grant waiver of the 4% grading in one small area of the plan to Rockefeller @ 200 Price and seconded by Councilperson Carter. No opposition. Motion carried.
- Motion was made by Councilperson Carter to grant waiver regarding planting of trees at the road front to Rockefeller @ 200 Price. and seconded by Councilperson Rokicka. No opposition. Motion carried.
- Motion was made by Councilperson Carter to grant waiver regarding Riparian buffer width and seconded by Councilperson Mathews. No opposition. Motion carried.
- Motion made by Councilperson Maher authorizing payment to A to U for camera, dye test 12th St. sink holes tests in the amount of \$2,175.00 to investigate sink holes, pending the tv videos and reviews and seconded by Councilperson Carter. No opposition. Motion carried.

- **A MOTION WAS MADE BY COUNCILPERSON CARTER TO AUTHORIZE TO ADVERTISE ORDINANCE AMENDMENT BENEFITS NON-UNIFORM AND SECONDED BY COUNCILPERSON MATHEWS. NO OPPOSITION. MOTION CARRIED.**
- **A MOTION WAS MADE BY COUNCILPERSON CARTER AUTHORIZE TO ADVERTISE BIDS FOR COMPLEX HVAC MAINTENANCE CONTRACT AND SECONDED BY COUNCILPERSON MATHEWS. NO OPPOSITION. MOTION CARRIED.**
- **A MOTION WAS MADE BY COUNCILPERSON MATHEWS APPROVAL OF 4401 RIDGE RD. ADDITIONAL ADDRESS AND SECONDED BY COUNCILPERSON CARTER. NO OPPOSITION. MOTION CARRIED.**
- **A MOTION WAS MADE BY COUNCILPERSON CARTER APPOINTMENT OF POSSENTI CONSULTING TO THE DCTCC AND SECONDED BY COUNCILPERSON MATHEWS. NO OPPOSITION. MOTION CARRIED.**

NEW COUNCILMANIC BUSINESS

None

COMMENTS FROM THE AUDIENCE

Chaplain Pastor Hackett - introduced himself to those who may not know him and offered his services to anyone in need.

Chuck Miles, Ridge Rd. – Had a question for the tax collector in regards to his tax bill. Mentioned a computer class for seniors.

Dan Smith, MHTFD – Introduced himself as the new fire department Chief and thanked for passing the motion to secure a loan for the purchase of a firetruck.

Rafael Hernandez, Main St. – Had question about the tree planting in regards to the developer for 200 Price.

Council entered executive session at 8:46pm.

The regular Council meeting resumed at 8:57pm. After executive discussion, a motion was made to enter into a service agreement with Critter Control to remedy an issue with a home that was boarded up after being vacant. The animal inside the vacant property have caused a nuisance for the adjacent property. The property owner has been unreachable.

ADJOURNMENT

President Gaspero called for a motion to adjourn at 9:00pm; Councilperson Mathews made the motion to adjourn. Councilperson Carter seconded the motion. No opposition. Motion carried.

Respectfully submitted,

Victoria Orlando
Borough Secretary

ENGINEER REPORT

- **MS4 Program**

- **Grant Opportunities – Pollution Reduction Plan (PRP)**

- We submitted the WRPP grant application on 5/30/2023 with a total project cost of \$352,889 and the Borough's 15% match of \$52,933. The program manager advised the grant was not awarded, however, mentioned the application was good and the Borough may want to re-submit the application and pursue support from local legislators. The next grant round is open with applications due May 31, 2024. We recommend Council consider authorizing Stantec to re-submit the application and if Stantec is authorized we recommend Council engage with local legislatures for support.

- **Discolored water discharge Storm Outfall**

- A to U submitted a proposal in the amount of \$46,678. 00 to replace approximately 30 feet of the damaged downstream portion of the pipe. We are monitoring the discharge and per our site visit on 2/29/2024 the water discharge is clear. We will continue to monitor and provide further input regarding consideration of A to U to proceed with the work.

- **MS4 permit cycle (March 2023 through March 2025)**

- When finalized, DEP to advise of pending DEP updates to the PRP and the new MS4 permit cycle.

- **MS4 Article:** Attached is an educational article 'When it Rains, it Drains'.

- **BMPs:** We performed our annual inspections of the BMPs on 2/29/2024.

- **Marcus Hook Creek Contamination and clean-up:** A DEP representative advised the recent spill does not need to be reported in our annual report since it was a one-time event with no source of the contamination determined. We provided DEP regulations and guidelines to President Gaspero for Monroe to follow when cleaning up the creek.

- **Community Center**

- We submitted the documents and plans relative to Sewage Planning to PA DEP with our letter dated 11/14/2023.

- **4401 Ridge Road**

- We sent our letter dated 10/31/2023 based on the revised submissions and have been corresponding with the project engineer. We are reviewing the proposed revisions to the Land Development Agreement provided by the Solicitor. **DEP advised in their 3/14/2024 letter the project does not qualify for an exemption from sewage facilities planning and therefore sewage facilities planning modules are required.**

- **PY 2023 CDBG Projects**

- \$59,609 for Right-of-Way improvements on Anderson Street, 10th Street to 12th Street. We finalized and sent the draft bid documents to the OHCD whom approved the project for bidding. We will coordinate the bid schedule with the Borough.

- \$58,599 for Storm Sewer Improvements as a match for the PA Small Water and Sewer Program application. Although the PA Small Water and Sewer grant was not awarded, the OHCD advised the CDBG funds can still be used for Storm Sewer Improvements. We requested TV videos from A to U Services they may have taken of the storm system at Main Street near the Amtrak railroad bridge and at 2nd Street and Wilcox Street to assist with our evaluation and are awaiting their information.

- **PECO Gas Main Replacement Projects**

- We requested PECO offer a contribution for re-paving one-half width of roadways for the Borough to consider for repaving roadways in a Road Program in 2024 based on PECO's schedule for gas main replacements as follows. We will advise of their response.

- Sunset St. - W. 13th St. to Township Line Road: PECO replaced the gas main at this location.
 - Langley St. from W. 9th St. to W. 12th St.
 - Price St. from W. 9th St. to W. 10th St.
 - Sunset St. from W. 9th St. to W. 10th St. We will request a contribution for the full width of roadway since this was re-paved during the 2021 Road Program.

- PECO also advised in 2024 they will replace a gas main along W. 9th St. (PennDOT SR 3006) from Langley St. to Sunset St.

- **Speed Humps**
PennDOT recommends conducting a study to monitor impact of speeds and volumes pre/post installation of the speed humps.
- **Safe Streets and Roads Program**
With Council forming a committee, Council may want to begin planning for potential project (s) for the next application round due in 2024.
- **Monroe Energy- Pipeline Project**
We sent our review letter 2/16/2024 per the revised plans. We advised project representatives upon acquiring the easements outside of the existing easements, resubmitting the revised plans and approval of the plans, the grading/stormwater and erosion control permit will be issued.

We will continue discussions regarding Henry Johnson Park with Monroe Energy and Borough representatives regarding options for Monroe to consider including providing new trees including at the new park benches, repaving Henry Johnson Parkway from the area to be repaved to connect to Township Line Road, and new speed hump(s). **Monroe is proposing to remove 9 trees, 1 tree limb and install 5 new trees. We will discuss at tonight's meeting.**

- **Delco Green Ways Grant – Henry Johnson Park Improvements**
The full requested \$249,717.75 in grant funds was awarded with a required \$25,000.00 match of Borough funds. We reviewed the contracts / agreement from the County Planning Department provided by the Borough Secretary. We plan to perform our field survey by next week of 3/11/2024 weather permitting. **We completed our field survey and are working on the design plans.**
- **Miscellaneous Items**
Inlet at Price Street and 4th Street: PennDOT reported they checked the inlet and advised the repair and cleaning of the inlet would be the Borough's responsibility since the inlet box is below the surface of the inlet top. We will discuss with the Borough. **We discussed with Highway Foreman Peer and recommend we request A to U provide a proposal to repair the inlet and clean the system at Post Road and Price St.**
- **DCNR C2P2 Grant for access / improvements to waterfront off Price Street**
DCNR advised they could help the Borough purchase the property or pay for a permanent easement and pay up to 50% of the appraised value of the land and 50% of professional costs such as surveys, appraisal, etc. Monroe Energy owns the property. The access will be through property owned by others with one of the access routes being through Monroe's property. An agreement between the Borough and Monroe and any other potential property owners would be needed for the Borough to use and/or purchase the property. Per Chief Priscopo, Monroe Energy supports the project and he mentioned he will pursue an agreement between Monroe and the Borough.
- **PY 2024 CDBG – Right-of-Way Improvements**
We submitted the application on 1/5/2024. Awards are anticipated in March, 2024.
- **W. 9th Street (SR 3006) - grass/landscape median strip in center / turning lanes**
Council President Gaspero inquired if it would be possible to have a grass/landscape median with plantings within a portion of the center / turning lane (s). PennDOT advised a traffic calming study will be needed and Liquid Fuels funds may not be used. We also discussed with the County Planning Department. We will further review including potential funding sources.
- **Highway Garage Salt Shed**
We met with President Gaspero and the Highway crew on 2/7/2024 and will assist the Borough with obtaining a new salt shed as requested. We reviewed quotations from Boates Brothers General Contracting provided by President Gaspero and will discuss with the Borough.

▪ **200 Price Street Development**

We issued our letter 1/24/2024 per review of the Land Development submission.

Price Street and Front Street are proposed to remain as private roadways. We will further discuss with Council if the roadways should be considered to be added to the Municipal Liquid Fuels Program system and become public roadways or remain private. We will also discuss the Zoning Ordinance. We coordinated with the Borough Secretary and project engineer processing of the DCPC ACT 247 form. We coordinated with the Borough Secretary and project representatives the project presentation is to be at the 3/14/2024 Council meeting. With the 90-day timeline per the Municipal Planning Code approval ending on 4/10/2024, we also advised the project attorney an extension request will be needed at the 3/14/2024 Council meeting for conditional approval at the 4/11/2024 Council meeting or beyond. **The 3/12/2024 extension request letter was provided by the project attorney. Some of the specific items for discussion and consideration for Council's decisions at the 3/14/2024 Council meeting include the following:**

1. **Zoning Ordinance Section 265-26(B) I-2 Industrial: regarding building set-backs.**
Although specific building set-backs are not stated in the I-2 section, this chapter (Chapter 265) includes I-1 Industrial Section 265-25(D). Building setbacks (1) stating no building shall be erected, constructed or maintained within 50 feet of any street line. The plans show the building set-back for Price Street being 45 ft. and the set-back for Front Street being 20 ft. The Project Engineer's position is the building set-backs do not apply. Stantec has no objections to the Project Engineer's position and is in agreement with the proposed set-backs.
2. **Subdivision and Land Development Ordinance Section 817.C: regarding planting of trees – Waiver requested.**
The requirement states one (1) three (3)-inch caliper deciduous tree shall be planted for each thirty (30) feet of street length. Stantec recommends additional trees be planted as discussed with the Project Engineer. Stantec has no objections to the Waiver.
3. **Subdivision and Land Development Ordinance Section 803.(E)(3): regarding slope of entrance to parking lot adjacent to warehouse – Waiver requested.**
The entrance to the associate parking lot adjacent to the warehouse exceeds the maximum 4% slope within 50 feet of the Price Street Right of Way. The Project Engineer to propose options for the slope. Stantec has no objections to the Waiver.
4. **Stormwater Management Ordinance Section 311: regarding Riparian buffer width – Waiver requested.**
The required riparian buffer width is 50 feet from the top of bank of the stream. The Project Engineer notes the Ordinance includes exemption criteria that permits a riparian buffer reduction to 25 feet and in some cases to 10 feet as measured from the top of bank. Stantec agrees the Ordinance allows a buffer reduction. Stantec recommends landscaping be added to other site areas to compensate for the reduced buffer width. Stantec has no objections to the Waiver.
5. **Price Street between 2nd Street and Front Street and Front Street:**
These roadways are not included in the Municipal Liquid Fuels Program system and are currently being used as private roadways. Stantec recommends Council consider the roadways remain being used as private roadways with the developer / owner responsible to maintain the improvements within the Right-of-Way including asphalt paving, curbing, sidewalks, grass areas, landscaping, etc.

- **PennDOT District 6-0 Vulnerable Road User Project – Tier 1 and Tier 2:**
Post Road & Price Street
 PennDOT has earmarked federal funding for pedestrian signal upgrades at this intersection. The proposed upgrades are for replacement of old pedestrian traffic signal heads and pushbuttons with new countdown pedestrian signal heads and pushbuttons (where applicable). We provided information regarding other projects at this intersection including PennDOT D12 Project 1 SR0013 with proposed improvements including striping and bike lanes and the projects in Marcus Hook Borough and Chester City that include removal of the island within the intersection.

- **Price Street – 2nd Street (SR 0013) ADA Design – Pedestrian Study**
 Per our recommendation and Council approval at the 2/8/2024 Council meeting, we informed the project engineer Council agreed to ban the pedestrian crossings of Price Street/2nd Street (State Route 13, formerly known as State Route 291) at these intersections:
Ban Cross-walks:
 - Union St. and Price St.
 - Irving St. and 2nd St.**Allow Cross-walks:**
 - W. 3rd St. and Price St.
 - Wilcox St. and 2nd St.
 PennDOT would initiate installation of ADA Curb Ramps and roadway striping at these locations.
No Action:
 - 4th St. and Price St.
 - Mary St. and Price St.
 - Tuttle St. and 2nd St.

- **Settlement in Grass Strip and edge of Roadway 12th Street near Price Street**
 Council approved our recommendation at the 2/8/2024 Council meeting to pay the invoice from A to U Services, Inc. dated 2/2/2024 in the amount of \$2,175.00 pending A to U Services, Inc. submission and Stantec's review of the TV videos and reports. We are still awaiting the TV videos from A to U Services and will review upon receipt. **We received and reviewed the TV video from A to U and recommend payment of their invoice. We drafted our recommendations and will finalize and send to the Borough.**

- **2024 County Aid and**
 The County advised they plan to confirm funding amounts by the end of March. Upon their confirmation, we will present a County Aid resolution for adoption at an upcoming Council meeting.

- **EPA Climate Justice Community Change Grant**
 If desired by Council, we will review the information provided by Councilwoman Tucker and assist the Borough. Grants are due 11/21/2024.

- **600 Main Street**
 We attended a meeting with the Borough Code Official, Borough Manager and Developer on 2/7/2024 at the Municipal Complex.

- **Post Road (SR 13) and Price Street (SR 219) Intersection Upgrades**
 The projects in Chester City and Marcus Hook includes ADA and traffic signal improvements within the Post Road and Price Street intersection. Mayor Maher and I attended the pre-construction meeting on 3/14/2024 for the Chester City project at W. 4th St. and Booth St. The project representatives confirmed they will comply with the Mayor's requests including 2 weeks notice in advance of work and removing the islands and repaving during the evening. All work estimated to take approximately 1 week with the removal of islands and paving to be done in 1 evening. A schedule to be provided. (Plans Attached).

- Flooding at Main Street near Amtrak Railroad Bridge
As requested at the 3/6/2024 Caucus meeting, we contacted Amtrak and were provided with representatives to contact whom we emailed. We are awaiting their responses and contact phone nos.

- Fizzano Brothers Warehouse – 900 Township Line Rd., Upper Chichester Township
We are reviewing information from Borough Manger Possenti and project representatives regarding proposed sewage flows from the project through Trainer Borough including a potential intermunicipal agreement. We will advise of updates.
